PROFESSIONAL EXPERIENCE

SDE - I
ShopTrade | 2023 - Present

- Developed custom solutions for Shopify stores, focusing on building checkout apps and Shopify functions.
- Implemented custom discount systems and checkout customizations tailored to store requirements.
- Integrated and worked extensively with Shopify apps like Klaviyo, Shopify Flow, Metafield Guru, and Okendo.
- Created visually appealing UIs with well-maintained code structure, ensuring functionality with minimal errors.
- Gained strong expertise in Shopify catalogs, delivery customizations, and managing store locations.
- Contributed to the front-end development of Shopify apps using Polaris.
- Proficient in working with metafields, payments, user management, and form customization on Shopify.
- Customized Shopify themes, including Aurora and Warehouse, to meet specific business needs.

SDE - I (Intern)
ShopTrade | 2022 - 2023

- Developed and launched the company's website, shoptrade.co.
- Focused on improving the site's SEO to enhance visibility and performance.
- Maintained a clean, well-structured codebase with reusable snippets for efficiency and scalability.
